## SEE TOMORROW GROW

Dear Parents and Carers,

Thank you to all the parents and carers, who have been actively parking away from the school entrance, and respecting the local residents and their driveways. We must showcase our value for this half-term 'awareness' by being mindful of our neighbours and the wider community. I take great pride in the excellent relationships we have all worked hard to build, which we need to extend to our neighbours and the wider community.

This half term, there has been a strong push on reading and phonics across the whole school. We have invested heavily in reading: from phonics reading books to whole school class reader texts, spending over £8000. Please read at home, and with your child, daily. Storytelling allows us to enter spaces and places of greatness, firing up our imaginations ... please read daily with, and indeed, to your child. On this note, I invite you to come forward and support us in school, with volunteer readers. Your support will immeasurably benefit many children. I would particularly like to hear from dads in actively getting involved in our children's reading. If you are interested, please speak to me, and or the school office.

For all our families celebrating the Lunar New Year, wishing you a year of prosperity and strength in the Year of the Dragon.

Have a lovely half-term, and I look forward to seeing you all on Monday 19th February 2024.

With all good wishes,  
Mr Jalaf

# NURSERY - PIPS

Dear Parents,

In nursery we have a quiet reading time every day. Children are also encouraged to choose a library book to take home which they can change regularly. We have a story time at the end of each nursery session. We love stories and are very good at joining in with words and actions!

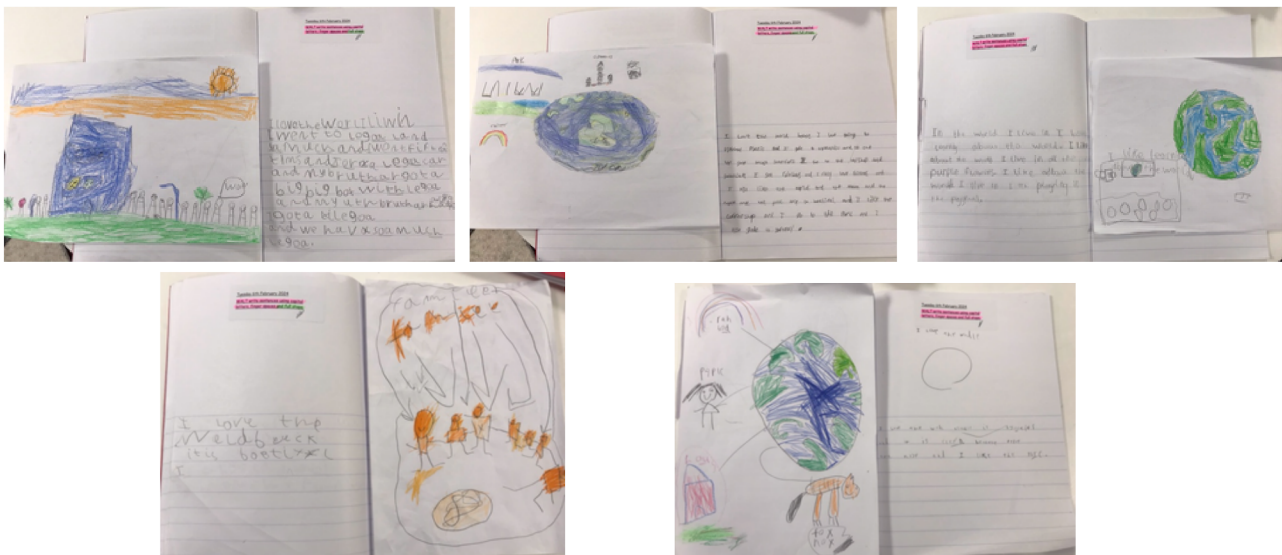

Have a wonderful half term, best wishes,  
Mrs Fowler.

# YEAR 1 - ELSTAR

The children have really enjoyed learning about the topic I Love My World. We have been thinking about what things we love in the world and then writing about them. There were so many ideas including KFC, McDonalds, family and friends and visiting different countries.

Have a lovely half term.  
Miss Purdy

## **YEAR 3 - BRAMLEY**

It has been a rather exciting week at Bramley week.

This week year 3 have been all about South America and climate change. They have been taking expeditions through the amazon and sites such as Macchu Picchu and have been discussing effects such as deforestation and the impact that it has.

They have also been creating fact files to help us be more vigilant about our actions, and the effects that they can have on our environment.

Have a lovely half term,  
Mr Khan
