Dear Parents and Carers,

I begin by thanking all parents and carers, who have been bringing their children into school, on time. If your child arrives after 8.45am, they will get a late mark, having already lost 10 minutes of learning time. For a child, it makes a tremendous difference to gently start the day, and to get ready for learning. Please take some time out to familiarise yourself with the document we sent earlier this year, which illustrates the impact of absence on lost learning. Let us all make a collective effort in raising our school's attendance level to above 95%.

Please join me in thanking from the bottom of our hearts the PTFA, who are working so relentlessly hard in raising money for our school 😊 the Father's Day event today was an absolute success! As will be the forthcoming Summer Fair. Save the date for Friday 28th June.

The warm weather is set to get warmer, please ensure your child comes to school with sun cream applied and a named water bottle. Please avoid layering your child with too many garments, as children get hot very quickly throughout the school day.

Have a lovely weekend! Mr Jalaf

School is the best environment for the vast majority of pupils to learn in. Being surrounded by teachers and friends in school helps keep children safe, and supports them to reach their potential.

That's why we're committed to tackling the factors causing children to miss school. Here, we tell you what you need to know about **school attendance**, provide advice about how best to support your child to attend well, and link to resources which you may find helpful if your child is struggling to attend.

ISLAND

A vibrant, 3D-style poster for a summer fair. The background is a bright yellow rectangle on a light blue sky. At the top left is a large, smiling sun with a yellow face and orange center. To its right are several fluffy white clouds. In the center, the text 'PIPPINS SCHOOL PTFA' is written in a white, sans-serif font. Below that, 'SUMMER FAIR' is written in a large, bold, white, sans-serif font. Underneath, a green ribbon banner contains the word 'FRIDAY' in white, bold, sans-serif font. Below the banner, the date '28th June' is written in a white, sans-serif font. At the bottom, there is a list of activities: '• RAFFLES • GAMES • BBQ AND FOOD •', '• ICE CREAM • PRIZES •', and '• AND MORE •'. The poster is decorated with various food items: a pink-frosted donut with colorful sprinkles on the left, a pink and white ice cream bar on the right, and a hot dog with yellow mustard on the bottom right. At the bottom of the poster, there are several white daisies with orange centers and green leaves.

Gentle Reminders

1. Please ensure that you do not walk through the car park **AT ALL TIMES** during the school day. We all need to work collectively, to set an example to the children of the dangers of running and playing in the car park. We have had a near miss incident in the past.
2. Thank you to all the parents who are sending their children into school, in their correct uniform and foot wear. We are continually monitoring this, as part of our raising standards strategy.
3. Please ensure that your child's lunch account is in credit, as it adds additional work to the office staff and delays payments being made to our catering company, having to chase our payments.
4. Kindly note that all holidays in term time will be unauthorised. With the current progressive and sequenced curriculum, any loss of learning has a detrimental impact on your child's learning.
5. If you would like to know more about what your child is learning in school, and about our progressive curriculum, please do visit our school website, and your child's class page; there is a wealth of information there.
6. Safeguarding our children is the upmost important to us. Please refrain from using your mobile phone devises on school grounds.

Our Week of Learning

Elstar

The children are now learning about the book *Yeti and the Bird*. They have been writing letters to the yeti to help him to make friends with all the animals.

Our Week of Learning

Honeygold

This week in Year 2 we have been learning how to sequence using timelines looking at the British monarchy. In art we have been learning about portraits, and we got to create faces using digital tools; it was super tricky drawing using a mousepad! In English we are reading a book called *Ocean Meets Sky*, it has got us all in the creative mood, especially when creating our own fantasy worlds!
