

Together we grow, Together we achieve

Vision of the Primary PE and Sport Premium Grant

Physical Education promotes physical agility, development, skill and knowledge of the body in action. At Pippins School we aim to provide pupils with opportunities to be creative, competitive and face up to difficult challenges both as individuals and a team environment. The children will learn the importance of rules and sportsmanship and have a positive attitude towards active, healthy lifestyles.

Rationale of our use of the PE and Sport Premium Grant

Our key indicators of impact on the effective spending of the PE and Sport Premium is as follows:

- 🍎 The engagement of all pupils in regular physical activity both inside and outside of school.
- 🍎 The profile of PE and Sport being raised across the school as a tool for whole school improvement both in and out of the classroom.
- 🍎 Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
- 🍎 Broader experience of a range of sports and activities offered to all pupils.
- 🍎 Increased participation in competitive sport.
