

## Sports Premium 2020-2021

### Vision of the Primary PE and Sport Premium Grant

Physical Education promotes physical agility, development, skill and knowledge of the body in action. At Pippins School we aim to provide pupils with opportunities to be creative, competitive and face up to difficult challenges both as individuals and a team environment. The children will learn the importance of rules and sportsmanship and have a positive attitude towards active, healthy lifestyles.

### Rationale of our use of the PE and Sport Premium Grant

Our key indicators of impact on the effective spending of the PE and Sport Premium is as follows:

-  The engagement of all pupils in regular physical activity both inside and outside of school.
-  The profile of PE and Sport being raised across the school as a tool for whole school improvement both in and out of the classroom.
-  Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
-  Broader experience of a range of sports and activities offered to all pupils.
-  Increased participation in competitive sport.

### PE and Sport Premium Grant Allocation in financial year

**2020-2021**

£17,512

A summary of the activities and initiatives led by the PE Lead in the school are outlined below, with details of how we have seen the impact of these activities in our school and the associated cost.

April 2020 - March 2021		
Activity	Impact	Estimated Cost
Transport	As a school, we leased a minibus for 1 year to use for attending sporting events. Before the pandemic, this was a huge success in allowing children to access extracurricular sports and competition between schools.	£4100
Relief Staff	To allow PE lead out of class for competitions and administration.	£700
Resources and Kit	To provide opportunities for children to try new sports and support equipment of new activities.	£300
Money to be carried forward as a result of the pandemic.		£12,412
